Ray,

As a follow up to the various clarifications that I sent up to the Region today re the pump test, I would like to extend an invitation to you to perhaps join in on a telephone conference call on Tuesday to discuss any possible questions you may still have. On my end, the conference call would include Van Kelley, Dennis Fryar and me. Or, if you can arrange it, we would be please to meet with you in Austin at your convenience on Tuesday to walk through the documents and answer any questions you may have. I hope you have a relaxing weekend. Take care.
